Reference: Year End Report (7/1/99-12/31/99)

Dear Mr. Warburton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The total listed on Line 11(a)(ii), Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Lines 30 and 31, Column A appear to be incorrect. FEC calculations disclose these amounts to be \$5,000 and \$5,000, respectively. Please provide the corrected totals on the Detailed Summary Page.

-Your calculations for Lines 30 and 31, Column B appear to be incorrect. FEC calculations disclose these amounts to be \$7,530.95 and \$7,530.95, respectively. Please provide the corrected totals on the Detailed Summary Page.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of

employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-On Schedule A supporting Line 11(a)(i) of the Detailed Summary Page, your report disclosed contributions from individuals that omit the aggregate year-to-date totals. Please amend your report by supplying the information.
11 CFR §104.3(a)(4)(i)

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Transfers to affiliated committees should be properly disclosed on a separate Schedule B, supporting Line 22 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-Please amend Schedule B supporting Line 23 by providing the office sought (House, Senate or President) for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division).
